Plans for the Diamond Jubilee Concert appear to be going well and I am very glad to be able to tell you that the entire programme is to be recorded by the B.B.C.
As you already know, there will be a rehearsal at the Hall on the morning of the concert at ... a.m. This is extremely important, not only for the usual reasons, but also because the performers are to be presented to H.R.H. Princess Alexandra at the end of the evening and everyone concerned must know exactly what the arrangements are. Furthermore, with such a varied programme, it is essential that the change-over between items should go as smoothly as possible.
If you have not already done so, PLEASE will you let me know without further delay whether or not you are able to attend the rehearsal and whether or not you would like us to reserve space for you in the artists' car park for a the morning and/or b the evening?
In answer to some queries about dress, I would like to stress that it is a gala occasion and that orchestral black is not necessary! Rather the reverse! We should much prefer gay colours on the platform! Long gloves need not be worn by those being presented to the Princess.
